

How to register as doctor on TELEPRAC and see my patients?

Here is the point-by-point description of the instructions for registering on TELEPRAC as a doctor and start consulting with your patients:

1. Go to the TELEPRAC website (www.teleprac.com) and click on the "Sign Up" button.

A screenshot of the TELEPRAC registration form. The form is divided into two sections: 'Login TELEPRAC | Healthcare | Anytime | Anywhere' and 'Registration'. The login section includes fields for 'Email or Mobile No' and 'Password', a 'Signin' button, and links for 'Register' and 'Forgot Password?'. The registration section includes fields for 'First Name', 'Last Name', 'Email', 'Select Country Code', 'Mobile Number', 'Select role', 'Password', and 'Confirm Password'. A 'Signup' button is located at the bottom of the registration section. The 'Register' button in the login section is highlighted with a red box.

2. Fill out the registration form with your personal information, including your name, email address, number, and role as doctor. Be sure to verify your email.

- In your profile settings, complete your details, including your medical qualification, specialization, fee you charge, services you offer, and medical registration. If you have an established clinic, you can add this information as well.

Note: The fee cap for TELEPRAC consultations has been set at Rs. 500. Please ensure that your consultation fee falls within the range of Rs. 50 to Rs. 500. Thank you for your cooperation

4. Wait for your account to be approved by the TELEPRAC team. Once your account is approved, it will be listed on the website, and you can start seeing patients.

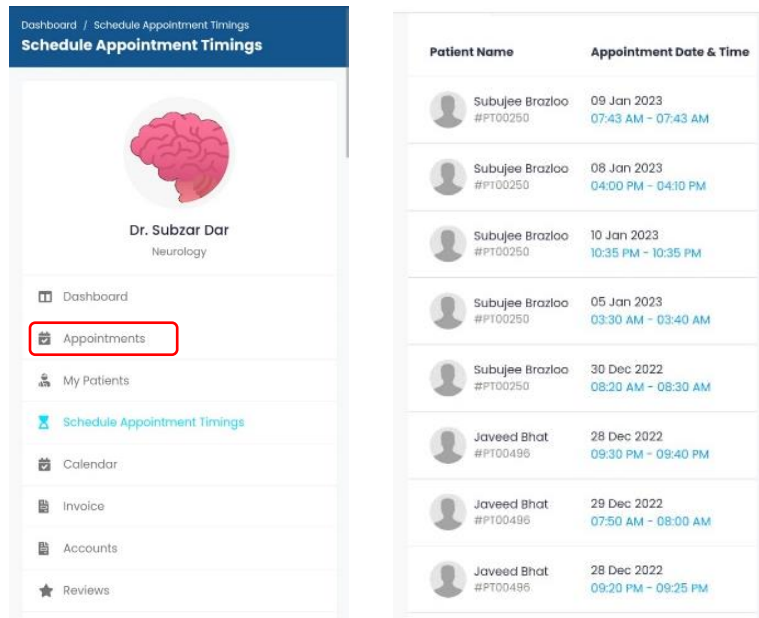

The screenshot displays the TELEPRAC dashboard for Dr. Subzar Dar, Neurology. The left sidebar contains navigation links: Dashboard, Appointments, My Patients, Schedule Appointment Timings (highlighted), Calendar, Invoice, and Accounts. The main content area is titled 'Schedule Appointment Timings' and shows the following configuration:

- Timing Slot Duration:** 20mins
- Days:** SUNDAY (selected), MONDAY, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY, SATURDAY
- Time Slots:**
 - 7:00 am - 10:00 am (Session 1 Token 18)
 - 4:00 pm - 8:20 pm (Session 2 Token 26)

5. To set your availability for patients, go to the "Schedule Appointment" tab in your dashboard. Set the length of each appointment (in tokens), the days and times you wish to see patients, and the type of appointment (video, clinic, or both).

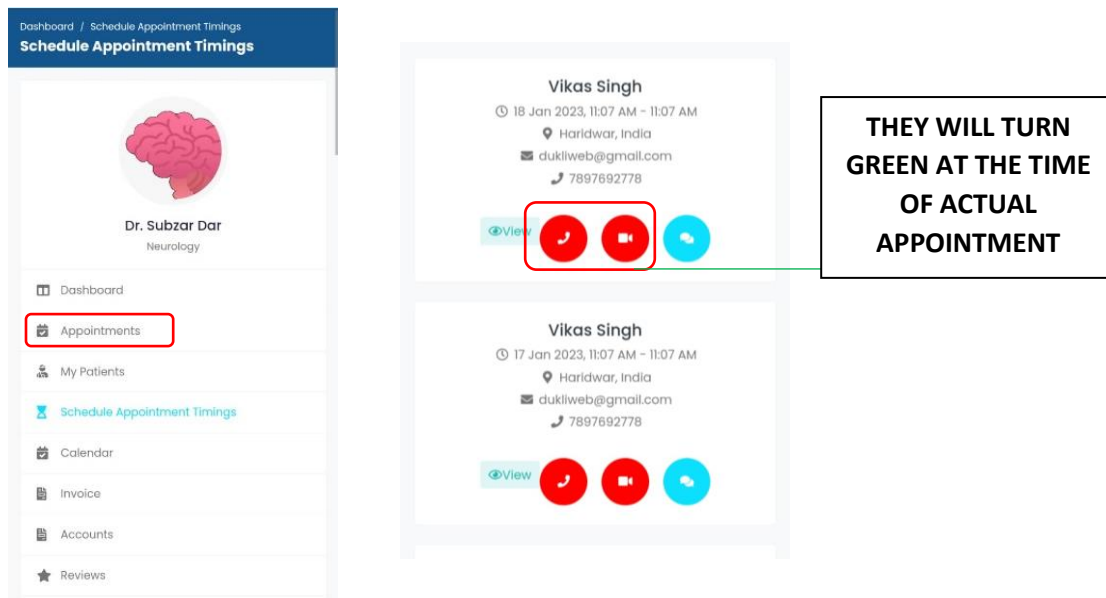

In this case doctor has set a 20 min slot and set two sessions on Sunday according to his/her availability

Please Schedule appointments at your convenience, but we suggest setting availability for all week, even with a minimum number of slots each day and ensuring your schedule is regularly updated to maintain patient confidence.

- Your appointment schedule will be displayed to patients on the TELEPRAC website, and you will be notified of any bookings. You can also view your upcoming appointments or all scheduled appointments using the "Appointments" tab in your dashboard.

Here these are the appointments this doctor has with his/her patients.

- At the time of the appointment, the video/audio call options will turn green, and you can call your patient with a single click.

- If you have any questions, you can contact the TELEPRAC support team at support@teleprac.com or +91-6006715123.
